

INDIANA KARTING TRIPLE CROWN NATIONALS

Friday July 23rd , Saturday July 24th and Sunday July 25th

The Indiana Karting Triple Crown Nationals starts off Friday night at Whiteland Raceway Park, then moves to Indianapolis Raceway Park Saturday night and ends at the New Castle Motorsports Park on Sunday.

Three Tracks, Three Clubs in Three days.

July 23rd Whiteland Raceway Park (Chainbreakers Karting Association)
July 24th Indianapolis Raceway Park (Southern Indiana Racing Association)
July 25th New Castle Motorsports Park (Kart Racers of America)

The Indiana Karting Triple Crown Nationals trophy will be awarded to a Senior Driver and a Junior Driver who can finish with the most points at the end of the 3rd day. Points will be awarded to your finish position on the track for each race.

Chainbreakers Karting Association – Feature Only
Southern Indiana Racing Association – Feature Only
Kart Racers of America - Qualifying and Feature

The hardest part of the Indiana Karting Triple Crown Nationals is you must follow each clubs rules. Go to each clubs web site and get their rules and class structure.

Chainbreakers Karting Association – www.chainbreakerskartclub.com
Southern Indiana Racing Association – www.sirakarting.com
Kart Racers of America - www.newcastleraceway.com

If one club doesn't have your class, you may run a different class, points are counted for the driver not the class. You may also run in two different classes per event.

Example: John Doe wants to enter twice for the Indiana Karting Triple Crown Nationals, he must register at the start of each race, his first entry he plans on running in the Briggs Heavy class and his second entry he is running in Briggs Senior for Friday night, Saturday his first entry is a 125cc shifter and the second entry is a Yamaha Can class and Sunday is the same. Both entries must be in a different class and he can't share the points. *Points are awarded to the Driver, not the class.*

The Indiana Karting Triple Crown Nationals fee for the weekend is \$20, once the first race starts on Friday night, no refund will be given. Remember, you must follow the clubs and tracks rules and you will still need to pay the entry fee and pit pass for that club.
